4 Snohomish County, Washington

5
6 AMENDED ORDINANCE NO. 16-033

7
8 RELATING TO GROWTH MANAGEMENT; REVISING REGULATIONS FOR
9 MARIJUANA BUSINESSES, AMENDING SECTIONS 30.22.100, 30.22.110 AND
10 30.22.130, AND AMENDING DEFINITIONS IN CHAPTER 30.91M OF THE
11 SNOHOMISH COUNTY CODE

12
13 WHEREAS, the Growth Management Act, chapter 36.70A RCW ("GMA"),
14 requires Snohomish County ("County") to regulate land use and development within the
15 County's jurisdiction; and

16
17 WHEREAS, the Snohomish County Council ("County Council") adopted
18 regulations for marijuana-related facilities in Amended Ordinance No. 13-086 effective
19 November 28, 2013; and

20
21 WHEREAS, the County Council amended regulations for marijuana-related
22 facilities in Amended Ordinance No. 15-009 effective June 15, 2015; and

23
24 WHEREAS, the Washington State Legislature enacted the Cannabis Patient
25 Protection Act on April 24, 2015 (Laws of 2015, ch. 70), revising state law concerning
26 medical and recreational marijuana in chapters 69.50 and 69.51A RCW; and

27
28 WHEREAS, section 4 of the Cannabis Patient Protection Act amends the
29 definitions of certain marijuana-related uses in RCW 69.50.101 to include marijuana
30 concentrates and to reflect the name change of the state regulating agency from the
31 Washington State Liquor Control Board to the Washington State Liquor and Cannabis
32 Board; and

33
34 WHEREAS, effective July 1, 2016, the Cannabis Patient Protection Act repeals
35 the authority for medical marijuana collective gardens, and instead establishes authority
36 for the creation of cooperatives for qualifying patients or designated providers for the
37 production and processing of marijuana for the medical use of members of the
38 cooperative; and

39
40 WHEREAS, under the Cannabis Patient Protection Act, cooperatives must be
41 located in the domicile of one of the participants; and

42
43 WHEREAS, section 27 of the Cannabis Patient Protection Act authorizes local
44 governments to create and enforce civil penalties for the growing or processing of
45 marijuana and for keeping marijuana plants beyond or otherwise not in compliance with
46 that section; and

WHEREAS, medical marijuana collective gardens and collective garden dispensaries and access points are currently permitted uses in various zones under chapter 30.22 Snohomish County Code ("SCC"); and

WHEREAS, definitions for marijuana-related facilities currently listed in chapter 30.91M SCC do not include marijuana concentrates or references to the renamed Washington Liquor and Cannabis Board; and

WHEREAS, the proposed amendments in this ordinance are intended to achieve consistency between the SCC and state law; and

WHEREAS, this ordinance does not address the legality of the conduct associated with marijuana and should not be construed as approval of such uses or waiver of any applicable county, state, or federal laws; and

WHEREAS, the County Council has determined that the proposed amendments to the development regulations promote a county purpose as established under RCW 36.70A.130 and chapter 30.73 SCC; and

WHEREAS, the Snohomish County Planning Commission ("Planning Commission") held a briefing on February 23, 2016, concerning the code amendments contained in this ordinance; and

WHEREAS, the Planning Commission held a public hearing on March 22, 2016, to receive public testimony concerning the code amendments contained in this ordinance; and

WHEREAS, at the conclusion of the Planning Commission's public hearing, the Planning Commission voted to recommend approval of the proposal without amendment, as set forth in its recommendation letter dated March 23, 2016; and

WHEREAS, on June 8, 2016, and continued to June 15, 2016, the County Council held a public hearing after proper notice, and considered public comments and the entire record related to the code amendments contained in this ordinance; and

WHEREAS, following the public hearing, the County Council deliberated on the code amendments contained in this ordinance;

NOW, THEREFORE, BE IT ORDAINED:

Section 1. The County Council makes the following findings:

- A. The County Council adopts and incorporates the foregoing recitals as findings as if set forth fully herein.

93 B. This ordinance will amend title 30 SCC in the following manner:
94

- 95 1. Eliminate the “Marijuana Collective Garden” and “Marijuana Collective Garden
96 Dispensary or Access Point” uses from the Urban and Rural Use Matrices in
97 SCC 30.22.100 and .110. These proposed amendments will achieve
98 consistency with state law, as the Cannabis Patient Protection Act repeals the
99 authority for marijuana collective gardens effective July 1, 2016.
100
- 101 2. Eliminate Reference Note No. 126 in SCC 30.22.130, which addresses the
102 “Marijuana Collective Garden” and “Marijuana Collective Garden Dispensary or
103 Access Point” uses.
104
- 105 3. Repeal the definitions for “Marijuana collective garden or medical cannabis
106 garden” and “Marijuana collective garden dispensary or access point” in SCC
107 30.91M.034 and .036.
108
- 109 4. Amend the definitions of “Marijuana processing” and “Marijuana retail” to add
110 new term “marijuana concentrates,” which was recently added to the state
111 definitions for these terms.
112
- 113 5. Amend the definitions of “Marijuana processing”, “Marijuana production”, and
114 “Marijuana retail” to reflect the name change of the Washington State Liquor
115 Control Board to the Washington State Liquor and Cannabis Board.
116

117 C. Although section 27 of the Cannabis Patient Protection Act allows counties to
118 “create and enforce civil penalties, including abatement procedures, for the growing
119 or processing of marijuana and for keeping marijuana plants beyond or otherwise
120 not in compliance” with that section, the County Council declines to separately
121 regulate cooperatives and finds that cooperatives are an incidental use to a dwelling
122 because cooperatives must be located in the domicile of one of the participants,
123 consistent with SCC 30.22.025, 30.91D.490, and 30.91I.030 and section 26 of the
124 Cannabis Patient Protection Act.
125

126 D. This ordinance satisfies the procedural and substantive requirements of and is
127 consistent with the GMA and the following goals, objectives and policies contained in
128 the Snohomish County Growth Management Act Comprehensive Plan (GMACP)
129 General Policy Plan (GPP):
130

- 131 1. Goal Economic Development (ED) 1: “Maintain and enhance a healthy
132 economy.”
133
- 134 2. Objective ED 2.A: “Develop and maintain a regulatory system that is fair,
135 understandable, coordinated and timely.”
136
- 137 3. ED Policy 2.A.1: “Snohomish County shall work to ensure that the Snohomish
138 County Code is an understandable, accessible, and user friendly document.”

- 139
140 4. ED Policy 2.A.2: "Snohomish County should stress predictability but maintain
141 enough flexibility in the Comprehensive Plan and development codes to allow for
142 timely response to unanticipated and desirable developments."
143

144 E. Procedural requirements.
145

- 146 1. The ordinance is a Type 3 legislative action pursuant to SCC 30.73.010 and is
147 consistent with state law and chapter 30.73 SCC.
148
149 2. SEPA requirements with respect to this non-project action are satisfied through
150 the completion of an environmental checklist and the issuance of a Determination
151 of Nonsignificance on April 1, 2016.
152
153 3. A notice of intent to adopt this ordinance was transmitted to the Washington
154 State Department of Commerce for distribution to state agencies on March 17,
155 2016.
156
157 4. The public participation process used for the proposed code amendments has
158 complied with all applicable requirements of the GMA and the SCC.
159
160 5. The Washington State Attorney General last issued an advisory memorandum,
161 as required by RCW 36.70A.370, in December of 2015 entitled "Advisory
162 Memorandum and Recommended Process for Evaluating Proposed Regulatory
163 or Administrative Actions to Avoid Unconstitutional Takings of Private Property"
164 to help local governments avoid the unconstitutional taking of private property.
165 The process outlined in the State Attorney General's 2015 advisory
166 memorandum was used by Snohomish County in objectively evaluating the
167 regulatory changes proposed by this proposal.
168

169 F. This ordinance is consistent with the record.
170

- 171 1. Snohomish County currently allows Marijuana Collective Gardens and Marijuana
172 Collective Garden Dispensaries or Access Points as permitted uses in the Urban
173 and Rural Use Matrices in chapter 30.22 SCC.
174
175 2. Proposed amendments to SCC 30.22.100 and .110 would eliminate these uses
176 and an associated reference note in SCC 30.22.130 from county code, achieving
177 consistency with state law.
178
179 3. Snohomish County currently provides definitions for marijuana-related facilities in
180 chapter 30.91M SCC (Definitions).
181
182 4. Proposed amendments to chapter 30.91M SCC would repeal definitions for
183 eliminated uses and amend remaining definitions in county code to achieve
184 consistency with state law.

185
186 G. The ordinance is consistent with the record as set forth in the Planning and
187 Development Services (PDS) staff reports dated February 10, 2016, and March 9, 2016.
188

189 Section 2. The County Council makes the following conclusions:
190

191 A. The proposal complies with all requirements of county code.
192

193 B. The proposal is consistent with the goals, objectives and policies of the
194 GMACP.
195

196 C. The county complied with all SEPA requirements in respect to this non-
197 project action.
198

199 D. The regulations proposed by this ordinance do not result in an
200 unconstitutional taking of private property for public purposes.
201

202 E. The county complied with state and local public participation requirements
203 under the GMA and chapter 30.73 SCC.
204

205 Section 3. The County Council bases its findings and conclusions on the entire
206 record of the County Council, including all testimony and exhibits. Any finding, which
207 should be deemed a conclusion, and any conclusion which should be deemed a finding,
208 is hereby adopted as such.
209

210 Section 4. Snohomish County Code Section 30.22.100, last amended by
211 Emergency Ordinance No. 16-006 on January 20, 2016, is amended to read:

Section 6. Snohomish County Code Section 30.22.130, last amended by
Emergency Ordinance No. 16-006 on January 20, 2016, is amended to read:

30.22.130 Reference notes for use matrix.

(1) Airport, Stage 1 Utility:

- (a) Not for commercial use and for use of small private planes;
- (b) In the RU zone, they shall be primarily for the use of the resident property owner; and
- (c) When the airport is included in an airpark, the disclosure requirements of SCC 30.28.005 shall apply.

(2) Day Care Center:

- (a) In WFB, R-7,200, R-8,400, R-9,600, R-12,500, R-20,000, and SA-1 zones, shall only be permitted in connection with and secondary to a school facility or place of worship; and
- (b) Outdoor play areas shall be fenced or otherwise controlled, and noise buffering provided to protect adjoining residences.

(3) Dock and Boathouse, Private, Non-commercial: The following standards apply outside of shoreline jurisdiction only. If located within shoreline jurisdiction, the standards in SCC 30.67.515 apply instead.

- (a) The height of any covered over-water structure shall not exceed 12 feet as measured from the line of ordinary high water;
- (b) The total roof area of covered, over-water structures shall not exceed 1,000 square feet;
- (c) The entirety of such structures shall have a width no greater than 50 percent of the width of the lot at the natural shoreline upon which it is located;
- (d) No over-water structure shall extend beyond the mean low water mark a distance greater than the average length of all preexisting over-water structures along the same shoreline and within 300 feet of the parcel on which proposed. Where no such preexisting structures exist within 300 feet, the pier length shall not exceed 50 feet;
- (e) Structures permitted hereunder shall not be used as a dwelling, nor shall any boat moored at any wharf be used as a dwelling while so moored; and
- (f) Covered structures are subject to a minimum setback of three feet from any side lot line or extension thereof. No side yard setback shall be required for uncovered structures. No rear yard setback shall be required for any structure permitted hereunder.

(4) Dwelling, Single family: In PCB zones, shall be allowed only if included within the same structure as a commercial establishment. In the MHP zone, single family detached dwellings are limited to one per existing single legal lot of record.

(5) See chapter 30.31E SCC for rezoning to Townhouse zone, and chapter 30.23A SCC for design standards applicable to townhouse and attached single-family dwelling development.

(6) Dwelling, Mobile Home:

- (a) Shall be multi-sectioned by original design, with a width of 20 feet or greater along its entire body length;
- (b) Shall be constructed with a non-metallic type, pitched roof;

- (c) Except where the base of the mobile home is flush to ground level, shall be installed either with:
- (i) skirting material which is compatible with the siding of the mobile home; or
 - (ii) a perimeter masonry foundation;
- (d) Shall have the wheels and tongue removed; and
- (e) In the RU zone the above only applies if the permitted lot size is less than 20,000 square feet.
- (7) Fallout Shelter, Joint, by two or more property owners:
Side and rear yard requirements may be waived by the department along the boundaries lying between the properties involved with the proposal, and zone; provided that its function as a shelter is not impaired.
- (8) Family Day Care Home:
- (a) No play yards or equipment shall be located in any required setback from a street; and
 - (b) Outdoor play areas shall be fenced or otherwise controlled.
- (9) Farm Stand:
- (a) There shall be only one stand on each lot; and
 - (b) At least 50 percent by farm product unit of the products sold shall be grown, raised or harvested in Snohomish County, and 75 percent by farm product unit of the products sold shall be grown, raised or harvested in the State of Washington.

 - (c) The number of farm worker dwellings shall be limited to one per each 40 acres under single contiguous ownership to a maximum of six total dwellings, with 40 acres being required to construct the first accessory dwelling unit. Construction of the maximum number of dwelling units permitted shall be interpreted as exhausting all residential potential of the land until such time as the property is legally subdivided; and
 - (d) All farm worker dwellings must be clustered on the farm within a 10-acre farmstead which includes the main dwelling. The farmstead's boundaries shall be designated with a legal description by the property owner with the intent of allowing maximum flexibility while minimizing interference with productive farm operation. Farm worker dwellings may be located other than as provided for in this subsection only if environmental or physical constraints preclude meeting these conditions.
- (11) Home Occupation: See SCC 30.28.050.
- (12) Kennel, Commercial: There shall be a five-acre minimum lot area; except in the R-5 and RD zones, where 200,000 square feet shall be the minimum lot area.
- (13) Kennel, Private-breeding, and Kennel, Private Non-breeding: Where the animals comprising the kennel are housed within the dwelling, the yard or some portion thereof shall be fenced and maintained in good repair or to contain or to confine the animals upon the property and restrict the entrance of other animals.
